DIY PROJECT

Teacher Kit

---

## IMPACT

---

Amana Academy is among the most diverse and well-regarded charter public schools in the state of Georgia. Amana's foundational principles are best represented in the broad concepts of stewardship and responsibility. Amana has grown from 130 students in its opening year to more than 750 students. There are 70 educators at Amana Academy who often use their own money for supplies. Your small group can support these educators by creating teacher kits that will help equip them with the tools they need to engage their students.

## INSTRUCTIONS

---

**STEP 1:** As a group, spend some time learning about Amana Academy. Their website ([www.amanaacademy.org](http://www.amanaacademy.org)) is a good place to start.

**STEP 2:** Choose to put together a teacher kit (see list below).

**STEP 3:** Discuss how your group will collect or purchase the suggested items. Feel free to invite others (neighbors and co-workers) to donate as well.

**STEP 4:** Set a date to bring your items to small group. Once you've gathered the items, spend time praying for the teachers who will receive the items.

**STEP 5:** Donations can be brought to Amana Academy, Monday–Friday, 9:00 a.m. to 2:00 p.m.

**STEP 6:** Let us know how it went! Please give us your feedback by filling out this [form](#) so we can continue to improve your small group Serve Together experience.
