IMPACT

Foster Care Support Foundation (FCSF) serves a vital and growing need throughout Georgia by providing free clothing, infant equipment, and developmental toys to thousands of children in foster and relative care. FCSF depends on donations of all types to help abused, neglected, and displaced children experience kindness and nurture while in basic care foster homes and relative care homes. Your small group can help FCSF by supplying some of the foster children's basic needs.

INSTRUCTIONS

STEP 1: As a group, spend some time learning about Foster Care Support Foundation and the families they serve. Their website (www.fostercares.org) is a good place to start.

STEP 2: Choose to put together a necessities kit (see list below).

STEP 3: Discuss how your group will collect or purchase the suggested items. Feel free to invite others (neighbors and co-workers) to donate as well. Please focus on getting new items.

STEP 4: Set a date to bring your items to small group. Once you've gathered the items, spend time praying for the children who will receive them.

STEP 5: Donations can be brought to the FCSF Distribution Center, Tuesday–Saturday, 10:00 a.m. to 3:00 p.m.

STEP 6: Let us know how it went! Please give us your feedback by filling out this [form](#) so we can continue to improve your small group Serve Together experience.
